

CV Prof. Dr. med. Christopher Nimsky

date of birth: June 9th 1964

citizenship: German

address: Department of Neurosurgery
University Marburg
Baldingerstrasse
35033 Marburg, Germany

phone: ++49-6421-5866446

fax: ++49-6421-5866415

e-mail: nimsky@med.uni-marburg.de

web: www.neurochirurgie-marburg.de

orcid: orcid.org/0000-0002-8216-9410

personal profile/summary

position: Professor & chairman of the Dept. of Neurosurgery, University Marburg

clinical focus: neuro-oncology, glioma surgery, skull base surgery, vascular surgery, epilepsy surgery, complex spine surgery

research focus: medical technologies in neurosurgery, i.e. intraoperative multimodal imaging and multimodal navigation, as well as molecular biology in neuro-oncology

education

2001 Ph.D. thesis (Habilitation), 'Intraoperative Magnetic Resonance Imaging', Dept. of Neurosurgery, University Erlangen, Germany (chairman: Prof. Dr. R. Fahlbusch)

1999 board certification for neurosurgery

1991 doctorate thesis 'Untersuchungen zur Endotoxinbestimmung und zur Endotoxin-Neutralisations-Kapazität' (experimental work on endotoxin measurement at the Dept. of Immunology, Ruprecht-Karls-University Heidelberg, Germany (Prof. Dr. B. Urbaschek) (doctor's degree University Heidelberg, Dr. med.)

1990 foreign medical graduate examination in the medical sciences by the educational commission for foreign medical graduates of the USA

1983-89 medical school, Ruprecht-Karls-University Heidelberg, Germany

1983 graduation (Abitur) from the Helmholtz-Gymnasium, Heidelberg, Germany

employment and positions

2008 - present	Professor of Neurosurgery, University Marburg & chairman of the Dept. of Neurosurgery
2007 - 2008	Professor of Neurosurgery, University Erlangen
2005 - 2008	vice chairman, Dept. of Neurosurgery, University Erlangen (chairman: Prof. Dr. M. Buchfelder)
2005	offer for professorship at the University Göttingen (declined)
2001 - 2007	Associate Professor and senior staff member, Dept. of Neurosurgery, University Erlangen (chairman: Prof. Dr. R. Fahlbusch)
1996 - 1997	military service as medical officer (air force captain) at the Dept. of Neurosurgery of the German Military Central Hospital in Koblenz
1989 - 2001	resident / staff member, Dept. of Neurosurgery, University Erlangen (chairman: Prof. Dr. R. Fahlbusch)

other activities

2011 - 2014	Visiting Professor of the First Affiliated Hospital of the Sun Yat-sen University, Guangzhou (PR China)
2004 - 2007	member of the board of directors of the DFG (German Research Foundation) research unit SFB 603 (Model-Based Analysis and Visualization of Complex Scenes and Sensor Data), University Erlangen
2001 - 2008	clinical head of the division of imaging and image processing of the interdisciplinary Neurocenter at the University Erlangen
2000	research fellowship, Dept. of Neurosurgery at Tokyo Women's Medical University (Prof. K. Takakura) & University Osaka (Prof. T. Yoshimine)

membership in societies

- AG Epilepsiechirurgie (study group for epilepsy surgery)
- American Association of Neurological Surgeons AANS (international member)
- Deutsche Gesellschaft für Neurochirurgie DGNC (German Society of Neurosurgery)
- Deutsche Gesellschaft für Computer und Roboter assistierte Chirurgie CURAC (German Society of Computer and Robot Assisted Surgery) (founding member)
- Deutsche Gesellschaft für Luft- und Raumfahrtmedizin DGLRM (German Society of Air- and Space-Medicine)
- Deutsche Wirbelsäulengesellschaft DWG (German Spine Society)
- European Association of Neurosurgical Societies EANS (individual member)
- Intraoperative Imaging Society IOIS (secretary & member of the board of directors)
